

HAPPINESS IS OUTDOORS

weinor OUTDOOR REALMS:
For happy moments at home.

weinor

MY OUTDOORS

weinor creates places where happy moments find their space.

Patios, gardens and balconies are transformed into something special with solutions from weinor. They change into protected spaces in nature, full of joy, relaxation and unforgettable moments with the family, friends or just for oneself. Favourite places for (almost) any weather and time of day.

OUTDOOR REALMS by weinor extend your home beyond its walls, combining security with freedom and allowing indoors and outdoors to blend seamlessly. This creates places full of new possibilities and quality of life. For a treasured home which becomes even more beautiful and grows with its residents' requirements.

PERSONALISABLE

YOUR VERY OWN OUTDOORS

Individual design which adapts perfectly
to your style.

PERSONALISABLE

Accurate to the millimetre,
individually made for your home.

Your home bears your signature – and your outdoors should do the same. With weinor, you can design an outdoor area which reflects your style and matches your architecture perfectly. Whether discreetly integrated or purposely planned: you decide the colours, shapes and features.

More than 170 fabric patterns, a wide selection of frame colours and different use of shapes offer you limitless possibilities. Fabrics can be easily exchanged later, accessories can be added at any time to suit your outdoor life. This creates a place with high-quality materials, sophisticated add-ons and great attention to detail which suits your needs perfectly. Moreover, it matches what you wish to experience outdoors.

FUNCTIONAL INTELLIGENT

Well thought out technology –
for comfort, safety and atmosphere.

Enjoy more time outdoors – no matter whether you need shade, would like rain protection or simply would like light and warmth for special moments. weinor combines decades of experience with modern technology, which is never an end in itself, but solely serves your comfort.

Our solutions are reduced to the essentials, intuitive to use and reliable. Operation and control naturally blend into your life and are tailored entirely to your wishes, needs, and requirements – from manual solutions to integration into your smart home. Clever extensions such as automatic weather control, lighting concepts or radiant heaters make your outdoors even more flexible – for an experience which is tailored entirely to you.

A modern outdoor patio area featuring a pergola with a white ceiling and dark frame. The patio is furnished with wicker chairs and a table, all with green cushions. A swimming pool is visible in the background, surrounded by lush greenery and a large hedge. The scene is set in a bright, sunny environment.

FUNCTIONAL INTELLIGENT

**TECHNOLOGY
WHICH SIMPLY
MAKES YOUR
OUTDOORS MORE
ATTRACTIVE**

Sophisticated, reliable and focused on your comfort.

OUTDOORS BECOMES HOME

A place for special moments –
and creating life long memories.

Enjoy special moments outdoors – regardless of the weather, time of day or season. A breakfast in the first springtime sunlight, a summer evening with friends at the large table, a cosy autumn day with a book and a blanket or a festively decorated table with birthday presents under fairy lights: Your patio or balcony becomes the stage for all the special moments which make life so enjoyable. Solutions from weinor create space for what really matters: time together.

EASY HANDLING

SIMPLY ENJOY OUTDOORS

We take care – everything else
is effortless.

With solutions from weinor, you can simply be outdoors, relax and enjoy. Everything works intuitively – from the beginning and every day. You decide whether you want to control it manually, at the push of a button, or via smart home. Reliable materials which are easy to care for and clean provide long-lasting joy. weinor specialist partners ensure that consultation, ordering and installation run smoothly together, that you are always well looked after if you have any questions or new ideas and that the supply of spare parts is guaranteed.

This will turn your outdoors into a favourite place full of ease and joy – a place where you always feel comfortable, protected and secure.

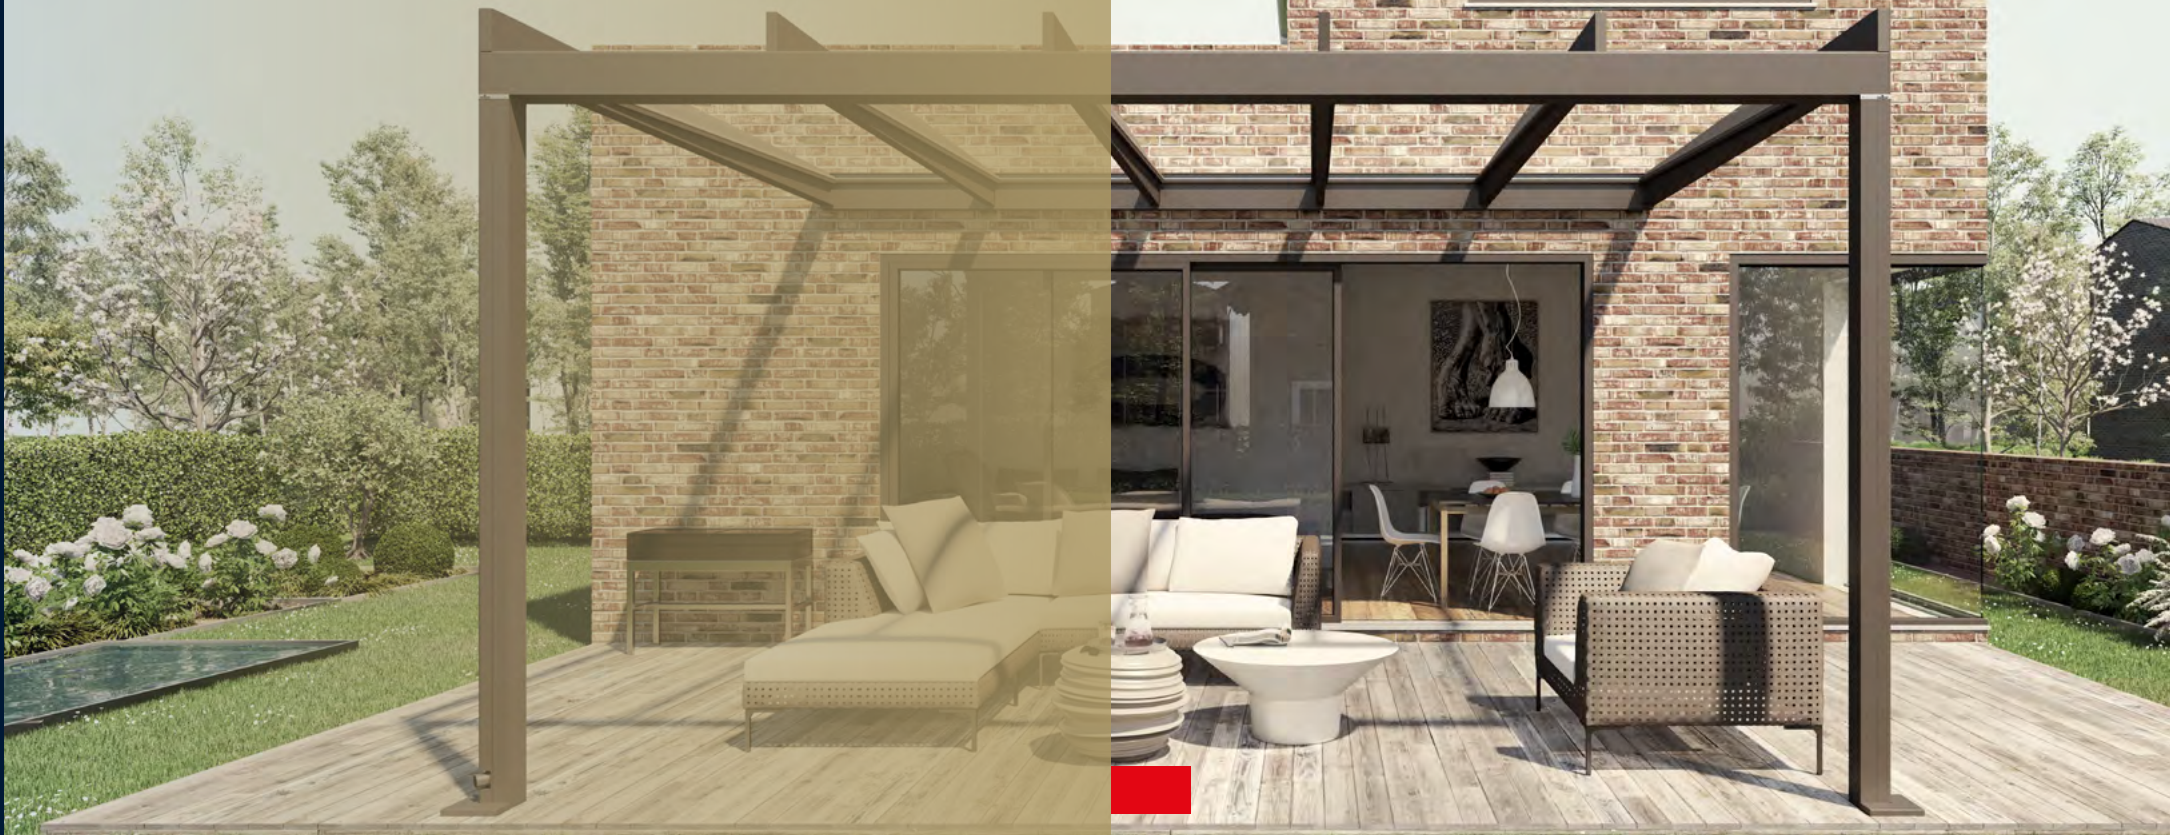

EASY HANDLING

Intelligent sensors protect you and your weinor product.

MODULARLY EXPANDABLE

AN OUTDOORS WHICH GROWS WITH YOU

Flexible, adaptable and always ready for innovation.

MODULARLY EXPANDABLE

One roof. Several possibilities.
Up to the weinor Glasoase®.

Your life changes – weinor OUTDOOR REALMS adapt to it. With weinor, you rely on a system which can always be adapted to new requirements: with side glass elements for transparent protection, vertical screens or awnings for privacy and shading, radiant heaters and light for long evenings. And if you wish to change your furnishing style or highlight a new trend colour, simply change your awning fabric.

Everything is coordinated, modularly combinable and technically perfectly integrated. Therefore, your outdoors remains open for future innovations so it can always be your favourite place.

THE NICEST PLACE IS OUTDOORS

Because special moments deserve special quality.

Turn your outdoors into an extension of your living space – harmonious, individual high-quality. With solutions which not only work but are felt. Technology which doesn't take centre stage, but enhances the experience. And designs which adapt to all architecture whilst providing stylish accentuation.

TIMELESSLY AESTHETIC

ENJOY A STYLISH OUTDOORS

Solutions which merge with the architecture
to form harmony.

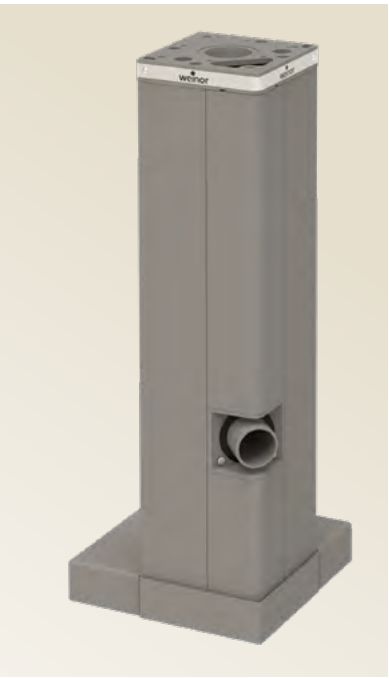

**TIMELESSLY
AESTHETIC**

Indoors and outdoors
in harmonious unison –
designed for eternity.

Your home deserves solutions which enhance it architecturally and exist for decades and beyond trends. Awnings and roofs from weinor convince with consistent quality and aesthetic shapes – whether modern, cubic or organic. Products such as the Terrazza Originale patio roof or the Opal Design II folding arm awning have been successful for many years and are well on their way to becoming design classics.

In our collections, You can find colours and patterns in our collections which equally satisfy architecture and personal style. This creates a design which inspires today and will also not go out of fashion tomorrow.

LASTINGLY VALUABLE

The seamless powder coating
defies weather and time –
confirmed by long-term tests
in the weinor test laboratory.

Your outdoor oasis of well-being is an investment in quality of life, which should bring joy for a long time. Therefore, weinor relies on durable materials, elegant surfaces and quiet mechanics, manufactured in Germany with top precision.

Our products are designed to enable repairs and upgrading – good for you, healthy for the environment. Enhanced by long-term spare parts supply, a favourite outdoor spot arises which you can enjoy for several decades.

LASTINGLY VALUABLE

LONG-LASTING AND HIGH-QUALITY

Enduring quality – for moments which remain.
